

**erismann**

We are looking for a freelancer to join our UK creative studio at Erismann Wallcoverings Ltd. as soon as possible.

## ABOUT US

Erismann is an international company operating in the wall-coverings sector and is seeking an experienced individual in the field of design and styling for its UK Design Studio in Germany.

## INTERESTED?

Then we look forward to receiving your detailed application, including your resume and digital portfolio to:

Erismann & Cie. GmbH  
z.Hd. Stefanie Rieu  
Hafenstraße 19  
79206 Breisach  
Germany

or by email to:  
[karriere@erismann.de](mailto:karriere@erismann.de)

## DESIGNER/IN / STYLIST/IN (M/W/D)

### YOUR TASKS:

- Design, layout, and coloring of wallpaper designs for the British market
- Development and management of collection and product range presentations for national accounts, independents and online retailers
- Trend analysis, trend research, and creation of mood boards and concepts
- Close collaboration with our production site/headquarters in Breisach, southern Germany including travel to coloring, production, and coordination appointments (approx. 4–6 trips per year)
- Visiting national and international trade fairs for inspiration and design research
- Implementation of design briefings, taking commercial requirements into account, and parallel processing of several projects

### YOUR PROFILE:

- At least 5 years of professional experience in a comparable position
- Completed degree in printed textiles, textile design, or a comparable field
- Very good knowledge of Adobe Photoshop (mandatory)
- Knowledge of AVA, Adobe Illustrator, and Adobe InDesign is an advantage
- Strong creative flair combined with a keen understanding of the market and trends
- Structured, independent, and reliable way of working

### WE OFFER:

- A varied role in an international company
- Creative working environment with short decision-making processes
- Close collaboration with international teams
- Regular travel and insight into production processes
